A14; MAJOR WORK; we need to make sure that traffic is not using the side roads as a diversion. There is a direct line number to report any problems. At the meeting with Highways England some measures were taken to help, I hope the meeting you held has had some results????

THURSTON COMMUNITY COLLEGE; they are trying to see if more people would make use of the sport facilities and I've sent the survey to the clerk

There is a vacancy for a school governor so let me know if interested.

NEW MONEY FOR POTHoles; the council has announced new money to deal with potholes, obviously was a major item during the elections.

A new bus route to Stowmarket, there is now a Wednesday one run by David's coaches through Rattlesden to Stowmarket

AIR QUALITY STRATEGY; this was announced last week, but concentrates on the more urban areas

MOTION TO COUNCIL ON GETTING MORE TO RECEIVE WHAT FINANCIAL HELP THEY ARE ENTITLED TO; many are not applying for help that would ease their financial situation; we have asked that all organisations have a major campaign to promote these
