

## **Neighbourhood Plan Questionnaires**

Questionnaires have been prepared to enable Beyton residents to express their personal views on the future shape of the village. There are two versions; 'Youth' (for young residents aged between 11-16 yrs on 1 May 2019) and 'Village' for everyone older.

Replies are invited on an individual basis, for example a household with two adults and a child aged 12 yrs may submit a total of 3 replies (one each)

Everyone is encouraged to take part in this important exercise which forms part of the preparation of our Neighbourhood Plan that will have a major impact upon the future. Please do not miss this opportunity to contribute.
